

# PALO Big Contour Knee Support

PALO050

Better sleep starts with better alignment. This knee pillow sits comfortably between your legs, reducing strain on your hips and lower back. With a secure strap, it stays in place—no matter how much you move.

| SPECIFICATIONS |                                                                                                                                                                                                                               |
